The Sacredness of Life

BUTTERFLY

The fluttering of wings represents joy and happiness.
kâ-sipweyâcik mîkwanak itweyimakan wiyâtikeyimowin ekwa miywîhtamowin

A delicate life cycle relying on clean air and land.
e-wahkewahk pimâtisiwin wâsikâpayak eta e-mamisîtotamihk ka-kanâtahk yôtin ekwa askiy.

Recycling keeps toxins out of the air and plastics out of the environment.
kâwi-kahâpacihtâhk kîkwaya wîcihihtâsiwimakan ka-kiponamihk pihcipowina yôtinihk ekwa askîhk.

A reminder that all life is sacred and even the smallest beings rely on us to care for the land.
